A LITTLE BIT ABOUT US

Did we mention we're not bankers?

Fico Finance is a Nelson business run by professional business people, not a bank run by a bunch of bankers. For over 15 years we have been saying 'yes' when businesses just like yours have asked us for a loan between \$5,000 and \$450,000. That's because, just like you, we only make money when we **do** business.

We respond fast

No one likes to be kept waiting around for a decision, which is why we endeavour to give you an answer within 24 hours. In some cases we might need to complete a site visit, and loans over \$50K require the Directors' sign-off, but rest assured, you will have heard from us within 24 hours of delivering this completed application form.

You talk to the decision makers

Because you deal with the decision makers at Fico, there's no unnecessary red tape or annoying delays in getting approval. This also means we can tailor your loan to suit your specific situation. On top of that, this application form only contains the essential information we need to make an informed decision.
